Room & Event Space Hire

The Orkney Research and Innovation Campus (ORIC) is a centre of excellence and learning for businesses and organisations working within the low carbon, renewable energy and research fields.

Our Stromness campus also offers a range of flexible event spaces and rooms for hire.

THE ROBERT RENDALL BUILDING

Lecture Theatre

CAPACITY - 72 seated, 107 standing

PRESENTATION - Informal, U-style or classroom

Electrically operated Projection Screen. 3m wide. 16x9 aspect.

Connectivity via a built in PC, document camera or your own laptop.

Voice reinforcement and stereo sound systems are included.

A separate, VC camera is available on request.

Teaching and Collaborative Working Space

CAPACITY - 36 seated

PRESENTATION - Informal, U-style or classroom or boardroom

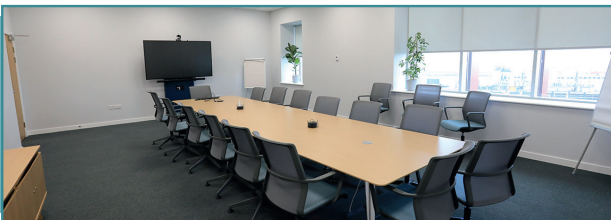

Ceiling mounted data projector provides images onto a 2.4m wide

16x9 aspect screen. Connectivity via a built in PC or your own laptop.

6 x wall mounted 50" LCD screen for display of devices. A separate,

portable VC camera and speakerphone are available upon request.

Boardroom

CAPACITY - 18 seated

PRESENTATION - 1 boardroom table only

Large format LCD for display of images, 75", 4K resolution with VC camera. Connectivity via our built-in PC or your own laptop.

Facilities

- Tea and coffee can be provided as an option with all bookings, for no additional fee. This is a self-service option, unless you specifically request additional staffing support.
- Full disabled access including designated parking spaces.
- Wi-Fi available through both ORIC buildings free of charge.
- We have in-situ furniture within the ORIC Reception and breakout areas, and a supply of chairs within our Robert Rendall Building.

Additional Charges

- Set-up and cleaning support can be arranged for your event, dependent on availability.
- Specialist IT support may be arranged. You may want to consider this if you would like the reassurance of on site assistance for key events.
